Notice may also include a statement of your right to cancel the account prior to the effective date of the change.

The information about the costs of the credit card account described in this application is accurate as of June 1, 2014. This information may have changed after that date.

To find out what may have changed and for the current APR, please write us at Comenity Bank, PO Box 182273, Columbus, OH 43218-2273, see the cardmailers with your new credit card (if approved) or visit our website at comenity.net/womanwithin. You agree that a credit report may be used in making the credit granting decision.

IMPORTANT INFORMATION ABOUT OPENING AN ACCOUNT To help the government limit the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask for your name, address, date of birth or other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

CA Residents: If you are married, you may apply for a separate account. **OH Residents:** The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law. **NY, RI and VT Residents:** We may order credit reports in connection with processing applications/solicitations and any update, renewal or extension of credit. Upon request, we will tell you the name and address of any consumer-reporting agency that furnished a report on you. You consent to the obtaining of such reports by signing or otherwise submitting an application or solicitation. **WI Residents:** No provision of a marital property agreement or unilateral statement under Section 766.59 or court decree under Section 766.70 adversely affects the interest of Comenity Bank, unless the Bank, prior to the time credit is granted, is furnished a copy of the agreement, statement or decree or has actual knowledge of the adverse provision when the obligation to the Bank is incurred.

Customers Receiving Preapproved Credit Offers: When ordering by phone you may be selected for a preapproved account offer from Comenity Bank based upon the information in your credit report which satisfied our criteria for creditworthiness. If applicable, you must respond by the expiration date of the offer. Credit may not be extended if after you respond, (i) you find that you do not meet the criteria for creditworthiness used to select you for this offer; (ii) you are below the age required to create a valid contract; (iii) we determine that you have fraudulently altered the information provided to us; or (iv) we receive your response to this offer after such offer has expired.

You can choose to stop receiving "prescreened" offers of credit from this and other companies by calling toll-free 1-888-567-8688. See PREScreen & OPT-OUT NOTICE below for more information about prescreened offers.

PREScreen & OPT-OUT NOTICE: This "prescreened" offer of credit is based on information in your credit report indicating that you meet certain criteria. This offer is not guaranteed if you do not meet our criteria. If you do not want to receive prescreened offers of credit from this and other companies, call the consumer reporting agencies toll-free, 1-888-567-8688; or write: Experian, PO Box 919, Allen, TX 75013; TransUnion, PO Box 505, Woodlyn, PA 19094; Equifax, PO Box 740123, Atlanta, GA 30374.

Should you later decide that you do wish to receive preapproved offers, you may remove the prohibition on use of your credit report information by notifying the above agencies.
